We will have one of a kind items in our silent auction and hourly raffles with items donated by our vendors, celebrities, and sports figures. OC and LA Designers will display unique Fashions as their models make their way around the event. A cigar lounge will be available for pairing the Slovak Republic beverage of your choice with your favorite cigar brand!

**The goal is to raise \$100,000 to support our Homeless Veterans!**

Veterans Legal Institute® (VLI) provides pro bono legal assistance to the homeless, at risk, disabled and low-income current and former service members. VLI is helping Veterans eradicate barriers to housing, healthcare, education, employment, and foster self-sufficiency. VLI also advocates on behalf of its clients by providing community education and policy advocacy to increase awareness, resources, and overall protections to current and former members of the US military.

Patriot's Promise was founded in 2012 by John R. Baskin. John is an Executive Sales Associate at Fletcher Jones Motorcars. He is a Former Army Captain/Helicopter Pilot and Desert Storm Veteran. John felt a strong calling to give back and honor his father Colonel (Reverend), Ronald R. Baskin. Colonel Baskin served in both the Korean and Vietnam War before retiring after 33 years of decorated Service. Colonel Baskin spent many unselfish hours administering to homeless, broken and forgotten soldiers at VA Hospitals in Indiana, Illinois, Texas, and Georgia. Colonel Baskin passed away in 2010. This year we will also pay honor to John's brother, former Army Major Ronald R. Baskin Jr. who passed away unexpectedly in 2013.

With warm regards,
